

# SINGLE BARREL

## PORT CASK FINISH AMERICAN SINGLE MALT WHISKY

On June 29th (see what we did there?) Simon & friends from Charlottesville 29, the publication that celebrates the Charlottesville food community, visited to help select this single barrel—the first of its kind and the only one that will be offered in Virginia in 2025.

Chosen from standout casks that truly rise above the rest, this single barrel American Single Malt whisky is cask strength, aged for over five years in ex-bourbon barrels, and finished for two years in a port wine cask sourced from a premium bodega in Portugal.

This bottling is a tribute to a city that celebrates its food, its drink, and its makers. Whether you're sipping it neat at the bar or pairing it with a local dish, you're partaking in something rooted—crafted from this place, for this place.

Made from 100% Malted Barley.

Aged in premium ex-bourbon barrels for over five years and then finished in a port cask sourced from a premium bodega.

Red fruit, dark cocoa, and spice.

700 ML CASK STRENGTH

Regular Price: \$59.99 SEPTEMBER SALE: \$47.99
